

St. Joseph Health System

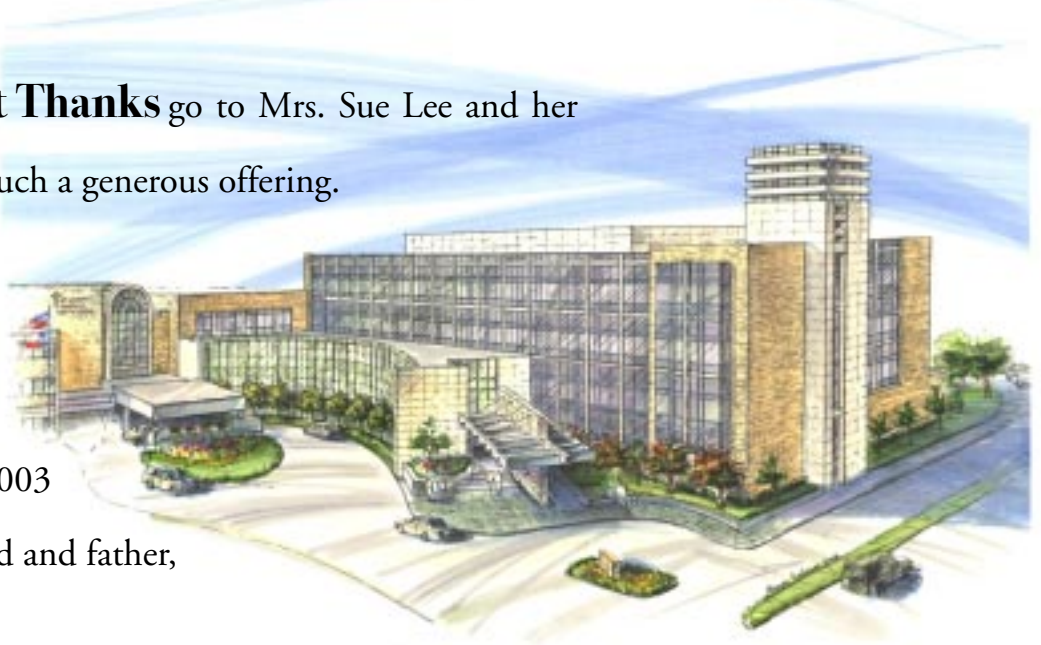

Thanks *for* Giving

The St. Joseph Health System family is **Thankful** to the many individuals, businesses and foundations which have given generously to the **St. Joseph Promise Campaign**. Your support has helped us reach \$5 million as we work to improve community and regional health services through the healing ministry of the Sisters of St. Francis.

We are also pleased to announce a **matching challenge gift of \$500,000** to the Promise Campaign. This challenge means **any new gifts, up to a total of \$500,000, will now be matched dollar-for-dollar.**

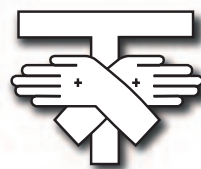

Our **Heartfelt Thanks** go to Mrs. Sue Lee and her family for providing such a generous offering.

This challenge to the community follows a cornerstone gift the Lee Family made in 2003 in memory of husband and father, J. C. Lee, MD.

You can help provide healthcare to the needy in the Brazos Valley through a gift to The Promise Campaign. **And, thanks to the challenge commitment from Mrs. Lee, your gift will have twice the impact!** Please call the St. Joseph Foundation at (979) 774-4087 for more information.

Thanks *for* Giving to support quality healthcare!
